

Mentorship / Start-Up

1-Year Program

This program is available to graduates of the two-year Augmented Articles Program, at invitation by partner law firms.

This is a one-year program in which the graduates (who are now due to be admitted) are assisted to establish and promote their own Law Firm, in conjunction with a partner Law Firm.

OUR ASSISTANCE INCLUDES:

- Office space in the LexU premises;
- Research subscriptions and all software licenses;
- Registration with the Legal Practice Council;
- Structuring advice and if required, registration with CIPC;
- Registration with SARS for tax purposes;
- Branding and brand creation;
- Communications set up (letterheads, email signatures, etc.);
- Social Media account creation;
- FICA, PAIA and POPI compliance;
- Setting up a trust account and business account;
- Creating and managing books of account;
- Online meeting and webinar hosting account creation;
- Mentorship by Senior Attorneys
- Assistance with marketing and client relation strategies.
